

Restored Membership Application

Background

Restored is being established as a Christian membership-based alliance. We will be dependent on members for our existence and will seek to support and represent members to achieve their objectives in ending VAW. We will look to members to support **Restored** through prayer, resources, time and finances.

Members will have access to a section on the **Restored** website containing key resources and opportunities for networking, and will have the opportunity for their work to be promoted on the **Restored** website. Members' projects can also be featured on the **Restored** website and supporters will be encouraged to give directly to those projects.

Members will be part of **Restored**'s directory of churches, organisations and service providers. They will be invited to all **Restored** events and we hope to establish peer networks over time.

Members will automatically receive prayer e-mails and **Restored** updates, and will have the opportunity to contribute to the development of **Restored** resources.
